Allergies & Intolerances

If you have an allergy please let us know when you place your order, our team will always be happy to advise. Our recipes and suppliers can change over time, so it is important to let us know about any allergies every time you order. We have strict procedures in place for taking and preparing allergen orders but you should be aware that allergenic ingredients are present on our premises and those of our suppliers. Despite the significant efforts we go to, we cannot eliminate the risk of cross-contamination.
